

Danger (Map attached)

The Community Forest has begun operations on Blocks AN9 and AN10 between Hidden Grove and the Hydro Power-line.

Felling and road building have started and harvesting will start soon.

Danger signs are posted for your safety.

The **Green Trail** is open, **BUT** you are asked to use it with care and caution. If you hear chainsaws or equipment as you use the **Green Trail**, we ask you to turn back and stay away, for your own safety.

The following trails are closed for your safety:

- 1. Hydro Line Trail (Power-line Trail) is CLOSED until all operations are completed. (between pts #19-20 on map)**
- 2. The power-line corridor (right of way) from the Heritage Forest to Angus Creek is also closed for your own safety as well.**
- 3. The "Old Logging Road" Trail is closed (from hwy in).**

Thank you for your cooperation. We will post signs when operations are complete. Contact the Community Forest office at 885-7809 if you have any questions.

Dave Lasser, RPF

Operations Manager
