Dear Hidden Grove Society.

It has been a great pleasure to work with you in the creation of the Handicap Access Trail into the Big Tree area of Hidden Grove. I look forward to seeing the completed trail in the near future. If I can be of any assistance please feel free to contact me at any time. It is a privilege to participate in projects with significant community benefit. Below is the total machine and man hours involved and the amount I will be billing and the amount I will consider as a donation.

If you have any questions please contact me at your convenience.

All the best in your project.
