**If you or your friends and visitors use the Groves shouldn't you help?  
We need funds just for the day—posts, signage, tools, and more.**

The new Society is proceeding with many projects including finishing the Handicap Trail in the spring of 2012. We have another such trail in mind and the parking lot may need expansion as demand is high.

Needless to say, all the projects take money and we are embarking on several initiatives to raise it. Aside from grant applications **YOU can help:**

**Become a Member** - we have several levels of membership and the 'upper' ones will get you a tax receipt and so cost you even less.

**Donate** - any amount will help

We encourage you to print out some extra forms and give them to your friends too.  
DON'T FORGET - STAY POSTED AT <http://secheltgroves.com/>

**Note: Tax deductible receipts are issued:**  
a) for donations from members of \$10 or more over the membership fee  
b) to those not joining for \$10 or more.
